How it works

We've taken the hassle and contracts out of recruitment advertising and you now can enjoy the benefits of multi-post and post your vacancies to multiple job boards on a pay as you go basis. You simply select one of our multi-post advertising packages that best fits your needs, input the job details, and the system does the rest, posting to at least 6 job boards for one price, starting at £69.

You don't need contracts with any of the job boards or a multi-post tool as Recruitersite takes care of it all, in one convenient advert.

SME Agency Sector Trends

- Recruitment agencies spend a high percentage of their turnover on advertising.
- Press and radio advertising is falling massively as companies look for better response rates.
- Online media allows for much more tracking, accountability and flexibility.
- Over three quarters of job seekers are now using online job boards.
- Online job boards offer recruiters a much broader coverage.
- There is a major growth of agencies helping employers recruit using online job boards.
- SME agencies do not have the buying power to advertise on multiple mainstream job boards.
- More recruiters and candidates are looking online for their recruitment needs.
- Employers are looking for cost savings; utilizing online digital recruitment methods an agency can meet these challenges head on.
- Companies are slashing recruitment budgets and smaller agencies not using online strategies are likely to miss out.

Background and Expertise

Recruitersite are recruitment specialists – our entire team has spent many years in the industry in small and large agency settings. So our market knowledge is unsurpassed, and we know how recruitment agencies tick.

We've got the industry and technological knowledge you need, and we've negotiated with a hand-picked selection of the best job boards online, to give you maximum exposure for minimum spend.

We are working hand-in-hand with 1Job, Work Hound, fish4, Reed, Total Jobs, Hot Online and CV-Library and we are increasing our professional choice all the time.
